AH, THIS BRINGS BACK MEMORIES. REMEMBER HOW SCARED I WAS THAT A REAL MAZOKU WOULD JUMP OUT DURING THE TEST?

YOU ALMOST PISSED YOUR PANTS YOU WERE SO SCARED.

THIS IS STUPID!

WE ALL WENT THROUGH THIS WHEN WE WERE KIDS! NOW THIS GUY SHOWS UP AND GETS TESTED?

IT'S UNFAIR.

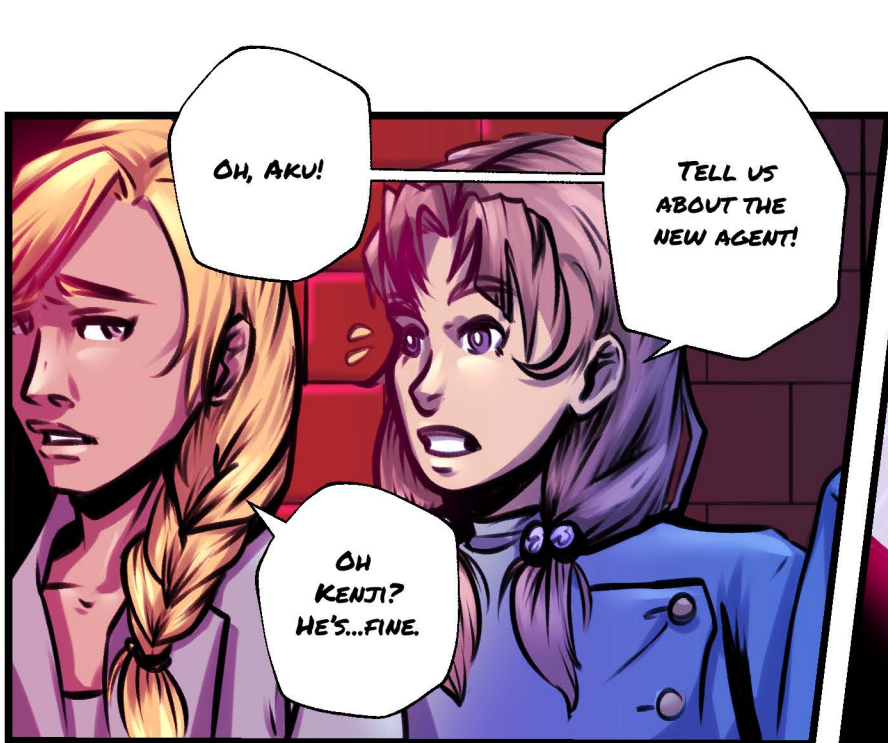

YOU WORRIED HE'S GONNA TAKE YOUR RANK?

ARE YOU KIDDING?

HYA!

BOOK

Cherry

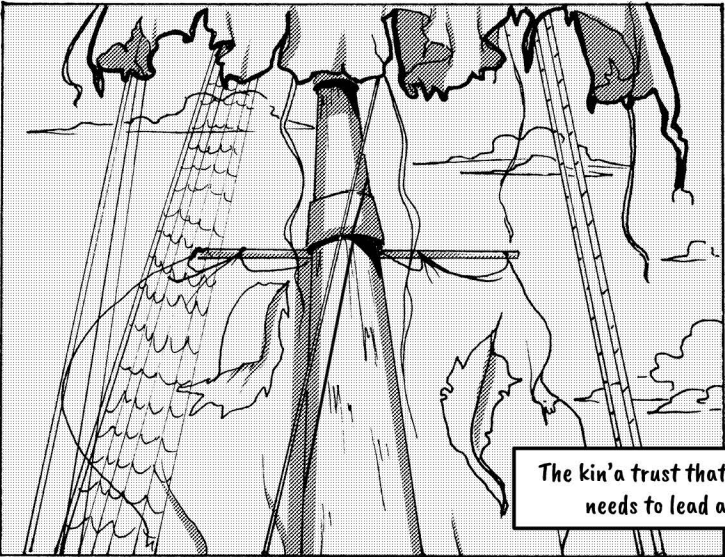

Mama would say the most important thing in a pirate's life is trust.

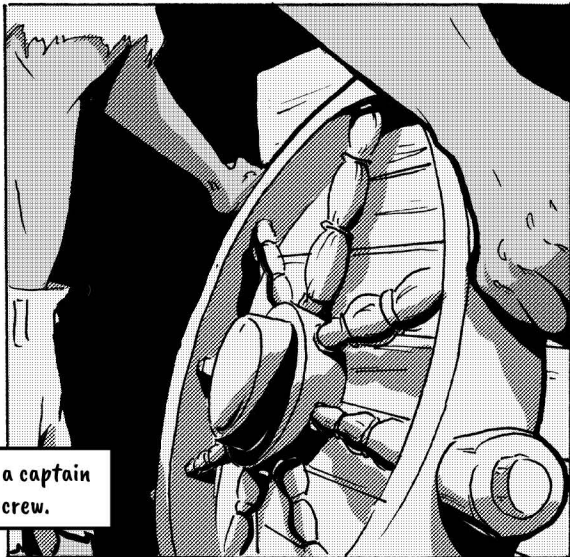

The kin'a trust that a crew needs to follow a captain.

CODE OF LAW

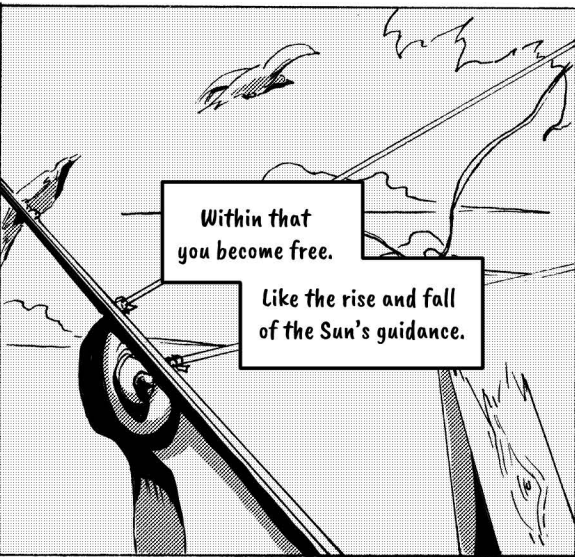

The kin'a trust that a captain needs to lead a crew.

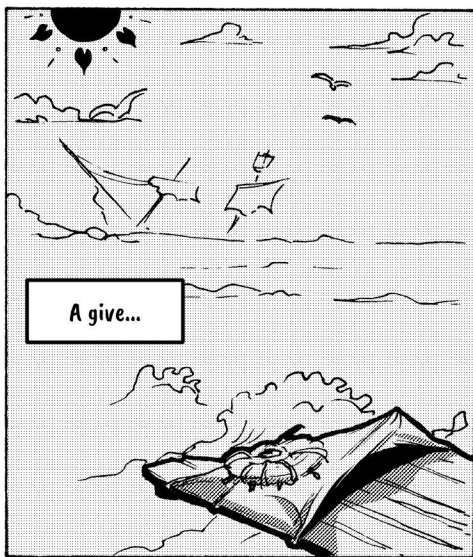

1

If you disobey any orders, you get the whip.

Within that you become free. Like the rise and fall of the Sun's guidance.

A give...

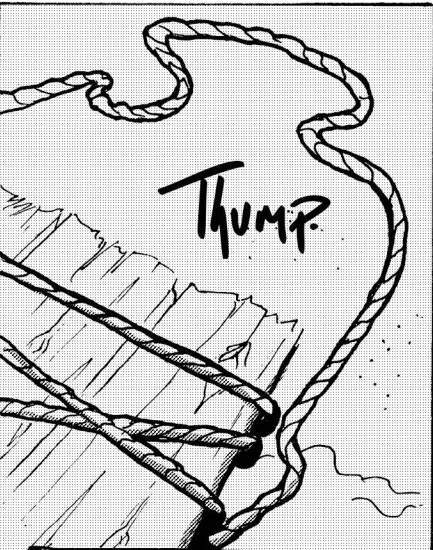

...and take.

2

No one steals from the fund or from any village that supplies the crew.

3

All booty is group inspected.

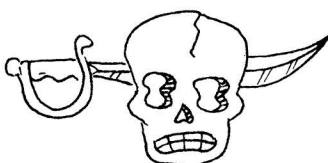

And it's all a'load a'shit.

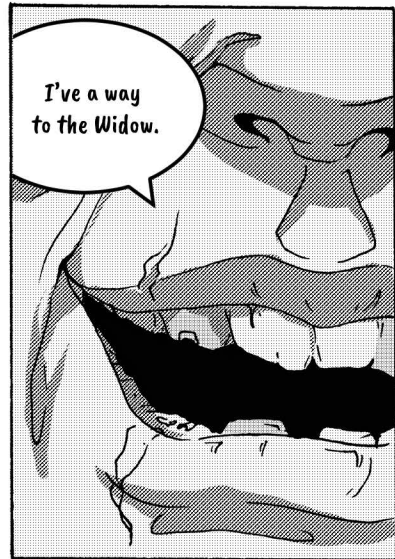

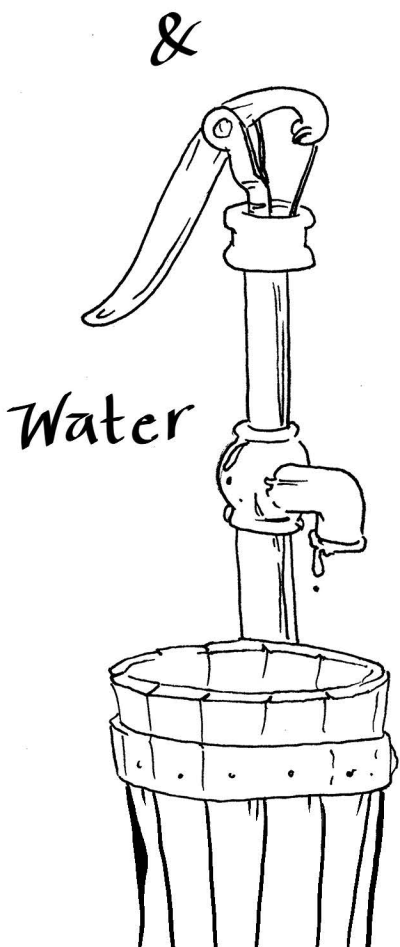

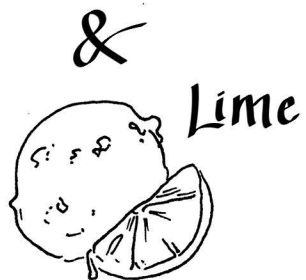

"Gi 'me another."

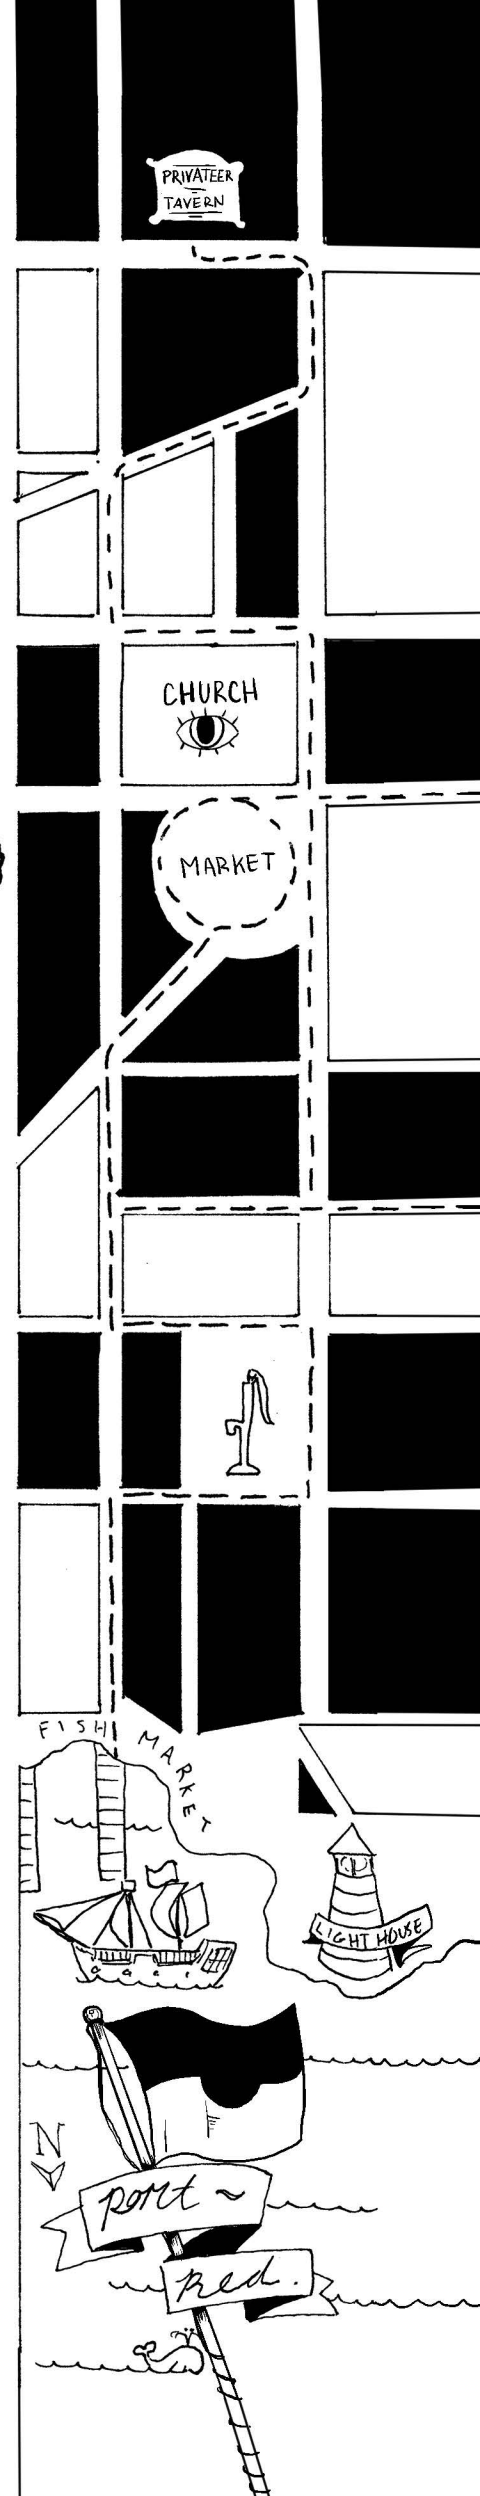

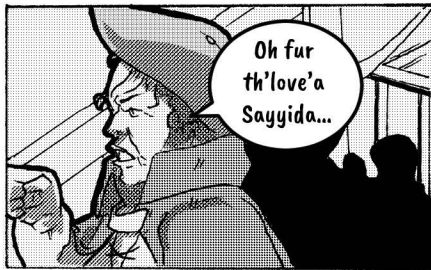

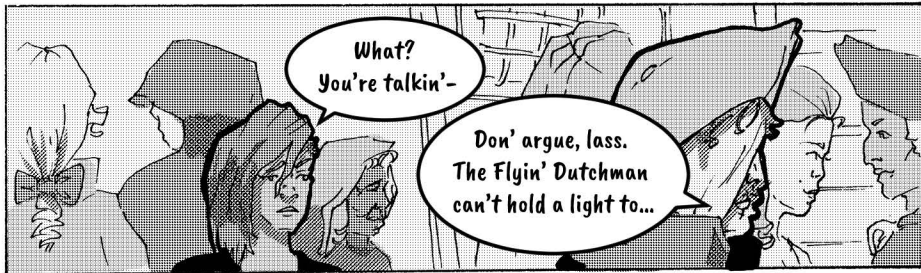

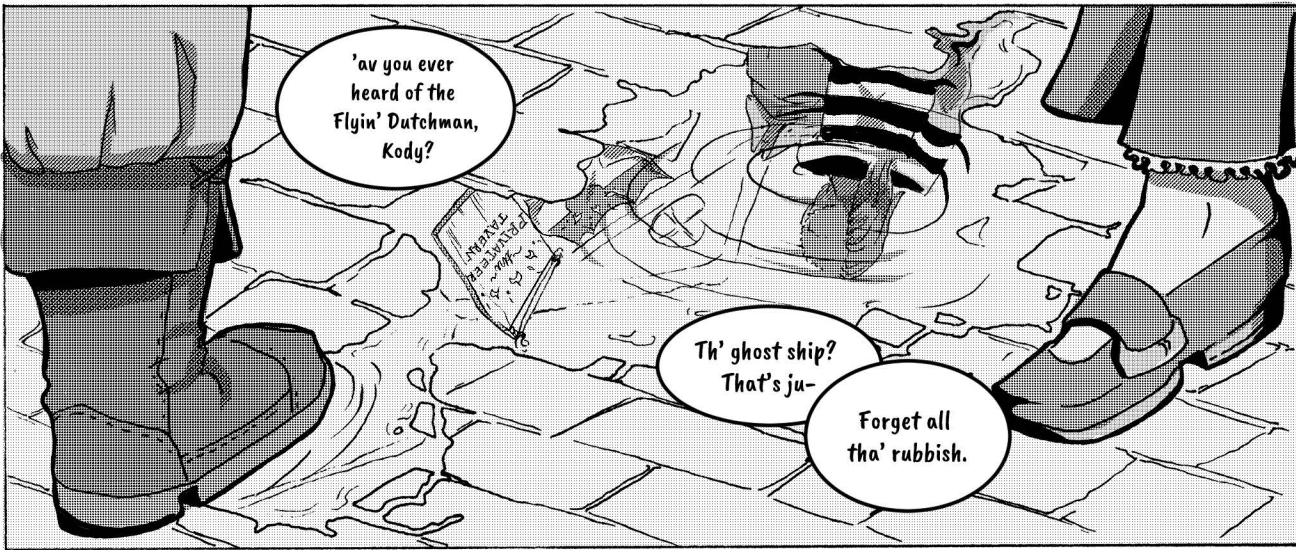

4

Any one who steals from the fund is killed or thrown overboard.
